Dear Mr. Sternberg, LGB., LLC,

We have received your request on 10 April 2007 which was post marked 06 April 2007 (copies included). I believe your first request is to move tap fees paid from L-33 Lake Arbu (Mark and Stacy Ard) drive to R-20 on Ridge Lake Drive (Toby Jones). This house is almost completed and you have not already secured water and sewer service before building the residential building with a move in date of 06.15.07. The fees for L-33 were paid by Mark H Ard Check number 3887 for Steve Washaver. Therefore, the taps are secured by lot L-33 and are not transferable.

We will be able to assist you in your request to provide you with the appropriate taps to R-20 once you have applied for these services.

Your second request, you are requesting to move another set of taps from M-9 Oak Hill Drive to M-2 Oak Hill Drive. Once taps have been paid for to secure service for a particular Lot, it then becomes non transferable to another lot. However, we can refund the fees paid for M-9 since the new meter system has not been installed yet and no house has been built as of this date.

We will be able to assist you in your request to provide you with the appropriate taps to M-2 once you have applied for these services.

Remember that you as the contractor must apply for the water and sewer services on the contractor application for taps to be installed. All connection must be inspected by our staff before final approval will be granted.

Please let me know if you have questions regarding this situation.

Sincerely,

Mark S Wrigley
